Bobbie Titan in the Alternate Way: Mark of Kain Series: Book Two Lynn Evans

It should be going so well for Bobbie Titan. Bobbie is the hero of the Kain's Advanced Research Institute (KARI). She is working for the government agency that was hunting for her the year before. She is a star on a TV show with her friend Morgan, and there is someone who is brand new and very special in her life. It should all be sunshine and rainbows, but it isn't. She doesn't know why, but Bobbie just can't be content with the life everyone else thinks is so special. Maybe that's why she's trying so hard to show the new boy what she can do. Maybe that's why she's so desperate for love. Maybe that's why she doesn't recognize the danger surrounding her until it strikes like a bolt of lightning and threatens everything--past, present, and future.
