Just What She Wants (1 Night Stand Series Book 147) Barbara Elsborg

With a name like hers, Indiana Jones knows she ought to be adventurous and daring, but when she's tricked into taking a vacation on her own and discovers she's staying at a swinging resort, she wants to spend the week in her room. But the place is run by two of the most tempting men she's ever seen. She could have just what she wants and no one would ever know.

Marc finds it hard to see his partner Kyle in physical and mental anguish, but if the guy won't talk about it, what can he do? Finding a third might be the answer, and he has just the woman in mind, unless she runs off before he can make her smile.

Crippled and depressed, Kyle can't even kiss his partner and wonders why the guy puts up with him. If only he could let the past go and move on. Maybe, just maybe, an intriguing guest will show him the way.
