Synchronicity is the nineteenth book in the I Found My Heart in San Francisco series.

Summer is drawing to a close. Jamie's been able to relax, to read, to spend time with her mom, enjoying the fruits of her idleness. Ryan, of course, has filled every day to the brim. If she's not babysitting or tutoring she's working full time on the O'Flaherty cousins' rehab project. But a forced vacation is in her immediate future—if Jordan makes the final roster of the 2000 U.S. Olympic squad.

Wanting only the best for her buddy, Ryan desperately wants Jordan's dream to come true. Even if it means a long trip to the other side of the world. The trip would be more fun if they could talk Catherine into joining them. But her summer has been filled with plans for taking Jennie into her home. She's very determined to make that happen, even if it means she's unable to travel. But it's been a long time since Catherine had to make a child her priority, and her skills might need a little polishing.

Meaningful coincidences create synchronicity, and getting all of them to Sydney will require that and more.
