Taking up Space: Exploring the Design Process Tiiu Vaikla-Poldma

Taking Up Space: Exploring the Design Process focuses on the practice of interior design, providing an overview of what designers do and why, from their earliest research to the completed built environment. The book presents the design process in diagram form, breaking down each component so that one step builds upon the last. The engaging narrative introduces design methodologies and explores the different approaches designers take to solve design problems and meet the needs of the end user.
