The Bomber Boys: Heroes Who Flew the B17s in World War II (Thorndike Biography) Travis L. Ayers

In World War II, no theater of operations was more dangerous than the skies above Nazi-occupied Europe. This is a collection of previously untold personal accounts of combat and camaraderie aboard the B-17 bombers that flew countless sorties against the enemy, as related by the men who lived and fought in the air - and survived. They are stories of heroism, sacrifice, miraculous survival, and merciless warfare. And they should all be remembered.
