All men know God, but all men as sinners seek to suppress their knowledge of God. They do this particularly by means of their various philosophical systems. This fact must be pointed out. Hath not God made foolish the wisdom of this world? It was not till later years that I received much help in my understanding of philosophy from D. H. Th. Vollenhoven and Herman Dooyeweerd. The syllabus is offered in this second edition for the consideration of those who are interested in the spread of the whole counsel of God.
