W. F. Vickery

**Advanced Gunsmithing: A Manual of Instruction in the Manufacture, Alteration, and Repair of Firearms** W. F. Vickery  
**A historical landmark title on the practice of gunsmithing.**

Widely regarded as one of the foremost bibles of gunsmithing of its time, Vickery's *Advanced Gunsmithing* is still relevant to this day. With in-depth explanations on different gunsmithing tools, gun parts, and methods, this technical resource complements other modern titles in the contemporary gunsmithing book market.

Vickery's passion for tools, and the firearms he could manipulate with them, gives this book its spirit of resourcefulness and experimentation. Different aspects of gunsmithing are highlighted in the book's twenty chapters, such as barreling, chambering, action, and other kinds of metal-working. Vickery also attempts to reduce the gunsmith's reliance on hard-to-find tools, and often describes alternate methods where possible. The informational text is supplemented by detailed illustrations, which are in turn accompanied by live photographs so that the reader can accurately compare his or her work to the text's instruction.

Vickery's clear and precise instruction covers gunsmithing essentials and techniques for both the amateur and professional smith. The book's historical significance and previous rare editions make it a valuable collector's item for any firearm enthusiast. Classic and practical, *Advanced Gunsmithing* is a noteworthy companion to the gunsmith's workbench.

Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
