Classic American Short Stories O. Henry, Jack London, Ambrose Bierce, Mark Twain, Stephen Crane

Five great American short story writers, dating from the turn of the nineteenth/twentieth centuries are represented here. Different in atmosphere and writing style, they nevertheless caught the mood and concerns of the day in a way that was distinctly American. Bierce's "An Occurrence at Owl Creek Bridge" leaves echoes in the imagination; the stories by Crane and London recall the themes of the Civil War and the Klondike for which they are well known. Twain's humour is to the fore in "The Notorious Jumping Frog of Calaveras County" and O. Henry's sharp observation makes his neat tales a joy to listen to. An attractive and accessible collection.
