Feminist Interpretation: The Bible in Women's Perspective (Feminist interpretation) (Progress in Neural Processing; 7) Luise Schottroff

In the hundred years since *The Women's Bible*, giant strides have been made in feminist interpretation of the Bible. Now comes the first comprehensive overview of the whole field. The authors systematically recount those efforts to describe the story of women in both testaments, to uncover tendencies not supportive of women, and to describe biblical traditions that empower women. The book unfolds in three parts:

Historical, Hermeneutical, and Methodological Foundations

Toward a Feminist Reconstruction of the History of Israel

Toward a Feminist Reconstruction of Early Christianity
