An extensive student guide has been developed for this edition, featuring a variety of pedagogical aids to address students' diverse learning styles. The guide includes chapter outlines and summaries, definitions of major terms and figures, media tools for directed learning, and self-tests. A full 30 percent of the questions in the self-test section have been revised, and each question tests students on one of the Learning Objectives in the text. The Learning Objective that correlates with each question is cited in the Answer Key.
