The Bible's Yes to Same-Sex Marriage, New Edition with Study Guide: An Evangelical's Change of Heart Mark Achtemeier

In the early 2000's, Mark Achtemeier embarked on a personal journey with the Bible that led him from being a conservative, evangelical opponent of gay rights to an outspoken activist for gay marriage and a fully inclusive church. In *The Bible's Yes to Same-Sex Marriage*, Achtemeier shares what led to his change of heart: the problems with excluding groups of people and the insights into the Bible's message that led him to recognize the fullness of God's love and support for LGBT persons. Readers will discover how reading snippets of Scripture out of context has led to false and misleading interpretations of the Bible's message for gay people. Achtemeier shows how a careful reading of the whole Scripture reveals God's good news about love, marriage, and sexuality for gay and straight people alike.

This new edition includes a study guide and a new introduction from the author that reflects on the U.S. Supreme Court ruling and changes within the church. Perfect for groups or self-reflection, the study guide directs readers over four sessions to explore both Achtemeier's book and the Bible.
