The Mammoth Book of Special Forces Training

Jon E. Lewis

The Mammoth Book of Special Forces Training Jon E. Lewis

What does it take, both physically and mentally, to join the world's most respected—and feared—military units? Lewis looks at the origins, training, tactics, weapons, and achievements of regiments such as Britain's SAS and Paratroopers, the US Navy SEALs, Delta Force, Army Rangers and Green Berets, Russia's Spetsnaz, and the Israeli Special Forces, as well as the codes that bind their members together. He looks at training in everything from wilderness survival to hand-to-hand combat.
