This is not only my story; it's our story. This is me; 25 years on this earth. I bring to you my progress report. Embrace me with the same Love I placed into these poems. I express my situation with failure; the struggles; which we are face with each day; the challenges with Racism & Power of the Government. Through my experiences; I seek better Dayz & Workin' hard to alter the ways of many people. All I want from the people who reads my Poetry is to THINK. . . . Peace and Love
