A long time ago, in a galaxy far, far away... ten words changed the cinematic world forever. This heavily illustrated collector's edition covers the entire film universe of Star Wars, from A New Hope to The Force Awakens, and all the books, television shows, comics, and games in between. A celebration of the entire beloved franchise, this compendium features rarely seen production and cast photos from all the movies in the series; essays on Ralph McQuarrie, the founding of George Lucas's Industrial Light & Magic, director Irvin Kershner, and more; as well as exclusive art and surprising reveals from Episode VII.
