Joyce Washington:

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just minor students that has reading's internal or real their passion. They just do what the educator want, like asked to go to the library. They go to there but

nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country.
