Sin Duda Alguna: El Caso del Cristianismo (Spanish Edition) Winfried Corduan

Las fastidiosas dudas sobre Dios no evidencian la falta de fe sino el hecho de que nuestra fe crece.

Según el Dr. Winfried Corduan, los mismos pensamientos que cuestionan nuestra fe son, en efecto, indicios de vida y crecimiento. “Nunca debemos temer investigar la verdad”, escribe en *Sin Duda Alguna*. “¿Acaso tememos que, si la examinamos en demasiado detalle, podríamos descubrir que lo que hemos aceptado por fe como verdadero termina siendo algo falso?”

Sin Duda Alguna combina la apologética cristiana clásica con la filosofía contemporánea en un estilo que es atractivo y fácil de leer. El resultado constituye una energizante invitación al crecimiento intelectual y espiritual, una guía ingeniosa para la travesía de nuestra fe personal y un constante recordatorio de que dudas e incertidumbres, en definitiva, servirán para fortalecer nuestra fe y no para debilitarla.

Nagging doubts about God aren't faithless, but proof that our faith is growing.

According to Dr. Winfred Corduan, the very thoughts that call our faith into question are actually signs of life and growth. “We should never fear investigating the truth,” he writes in *No Doubt About It*. “Could it be that we are afraid that, if we look too hard, we might discover that what we have accepted to be true by faith turns out to be false?”

No Doubt About It combines classical Christian apologetics and contemporary philosophy in a style that is both engaging and reader- friendly. The result is an invigorating invitation to intellectual and spiritual growth, a resourceful guide for your own personal faith journey, and a constant reminder that doubts and quandaries will ultimately serve to strengthen faith, not weaken it.
