A revolutionary new system for understanding birth order-featuring a remarkable new birth order quiz!

Whether we're the first born, last born, or somewhere in the middle, our birth order-and how we view our place in the family-can tell us much about who we are and how we interact with those around us. In *The Birth Order Effect*, Cliff Isaacson shows us how to find our true place in the family structure, and how to use this important information in creating better relationships with those around us.

Starting with a fun and easy self-quiz, this revolutionary book tells you how to figure out which of the five birth types you are, and then shows you how to use birth order and family information to help you handle a variety of issues, ranging from compulsive organizing to repeated failed relationships. In no time, you will use the quiz not only for yourself, but also to fully understand and interact better with your family, friends, significant other, and even your business colleagues.

The Birth Order Effect represents a new and revolutionary way of thinking about birth order. More important, this book enables you to go beyond theory and put into practice what you learn.

Special features:

Profiles of five comprehensive birth categories

A simple test that pinpoints true birth order personality

A look at factors that influence true birth order, such as divorce, adoption, blended families, and large age gaps between siblings

The Birth Order Effect, the most up-to-date book on this very popular subject, will have you immediately using the results to gain a better understanding of yourself and others.
