"Girón deserves a place beside the top mistresses of the dark." - Hellnotes In the first novel in the 12-part astrological Witch Upon a Star series, we follow Natasha, a tall, pale, ageless beauty who is a witch and a medium. She has a dark secret and a deep yearning and is haunted by the ghosts of her own past, as well as those of the present. But on New Year's Eve, she meets Gus, a handsome, mysterious stranger and she believes that something has changed. Natasha is part of a coven in the little New England town of Hermana who meet monthly to cast spells and perform rituals. For Natasha's birthday, the coven casts a love spell. Is their collective spell powerful enough to break the curse? Will Natasha finally find Gus again? Will the coven learn of Natasha's dark secret?
