Growing & Using the Top 10 Most Popular Herbs Jim Long

This is an excellent book for both cooks and gardeners who want to know how to grow and use herbs. Nationally known herbalist Jim Long conducted a survey of seed and plant sellers across the United States and Canada, and this book is the result of his research. With each herb you will find growing information, recommended varieties, potential pests, growing tips and recipes for using that herb. Many photos, in both color and black and white. This is an excellent book to start you on your way to growing and using the most popular culinary herbs. Experienced cooks and gardeners will find lots of useful information in the book, as well.
