Shannon: A Novel of Ireland

Frank Delaney

Shannon: A Novel of Ireland Frank Delaney

In the summer of 1922, Robert Shannon, a Marine chaplain and a young American hero of the Great War, lands in Ireland. He still suffers from shell shock, and his mentor hopes that a journey Robert had always wanted to make—to find his family roots along the banks of the River Shannon—will restore his equilibrium and his vocation. But there is more to the story: On his return from the war, Robert had witnessed startling corruption in the Archdiocese of Boston. He has been sent to Ireland to secure his silence—permanently. As Robert faces the dangers of a strife-torn Ireland roiling in civil war, the nation's myths and people, its beliefs and traditions, unfurl healingly before him. And the River Shannon gives comfort to the young man who is inspired by the words of his mentor: "Find your soul and you'll live."

Lorraine Prinz:

Reading a publication tends to be new life style in this particular era globalization. With examining you can get a lot of information which will give you benefit in your life. Having book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their reader with their story as well as their experience. Not only the storyplot that share in the publications. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors in this world always try to improve their skill in writing, they also doing some investigation before they write for their book. One of them is this Shannon: A Novel of Ireland.

Robert Schrader:

As a college student exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some reserve, they are complained. Just little students that has reading's soul or real their interest. They just do what the educator want, like asked to the library. They go to presently there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Shannon: A Novel of Ireland can make you really feel more interested to read.
