Alvin Peña

Simon Peter, the First Pope: His Identity and Mission in Christ Alvin Peña

From Christ's reasons for changing Simon's name to Peter, to what this action reveals about the relationship between them and about the Church built by Christ Jesus, this short but instructive book looks at the papal ministry through the person of Peter the Apostle. Here Alvin N. Peña offers another insightful, reflective exegesis and commentary on Sacred Scripture, carefully taking into consideration the historical, cultural, and biblical contexts of the papacy and Christ's Church. Through this writing, the reader will understand how Simon Peter's life and ministry leads to our current Pope today. Indeed, it is a clear and condensed study that will be useful for anyone interested in apologetics, in studying Scripture, and for preparing sermons on related scriptural passages.
