*From bestselling author Fiona Palmer comes the second in a young adult / new adult crossover series about sexy spies, a super secret agency and the work they do to save the world.*

Recruited into the secretive, shrouded MTG Agency, Jaz dives headfirst into her training, regretting nothing about her decision to help save the world at the age of 17. Now she's ready and anxious for her first mission — to prove she has what it takes...and to start making a difference.

The only thing that stands in her way is Ryan, the dangerous and sexy agent who first recruited her, and is now guiding her. He doesn't want Jaz to sink too deeply too quickly into his world of secrets and lies, but his inability to trust her to know her own mind only makes Jaz furious.

When a job comes along that only Jaz can do, Ryan has to let go, and Jaz soon learns that she can swim with sharks, but she'll come away with scars.
