The best way to personalize your study plan is to get frequent feedback on what you know and what you don't. Each of these tools provides true-to-format questions and delivers a

detailed score report that follows the topics set by the College Board®.

**Topic Level Quizzes:**

Short, 15-minute quizzes are available throughout the review and test your immediate understanding of the topics just covered.

**Mini-Tests:**

Two online mini-tests cover what you've studied in each half of the book. These tests are like the actual AP® U.S. Government & Politics exam, only shorter, and will help you evaluate your overall understanding of the subject.

**Full-Length Practice Test:**

After you've finished reviewing the book, take our full-length practice exam to practice under test-day conditions. Available both in this book and online, this test gives you the most complete picture of your strengths and weaknesses. We strongly recommend that you take the online version of the exam for the added benefits of timed testing, automatic scoring, and a detailed score report

**Improving Your Score with e-Flashcards:**

With your score reports from the quizzes and tests, you'll be able to see exactly which AP® U.S. Government & Politics topics you need to review. Use this information to create your own flashcards for the areas where you are weak. And, because you will create these flashcards through the REA Study Center, you'll be able to access them from any computer or smartphone.
