### **BOOK #1 PREVIEW**

Basic home remedies are treatments that can cure or help you manage a disease with the use of spices, condiments, and other items that can be commonly found around your home or can be easily bought from the local market. This kind of practice has been done over the years.

### **BOOK #2 PREVIEW**

Medicine is one of the oldest branches of science. People have always been seeking means to alleviate sicknesses and prolong life. In olden times, people achieved this by taking resources, like plant and animal parts, from nature. Other times, they observe the healing techniques of sick animals. Most striking of all is shifting to a certain type of lifestyle in the hopes of alleviating disease.

## **BOOK #3 PREVIEW**

Before there even was modern-era medications and its pharmacopoeia of artificial medications, there were medicinal plants. Prehistoric civilizations have widely used them for the strategic treatment of common illnesses as well as life-threatening ailments.

The prehistoric Egyptian Ebers Papyrus, which is a scroll of dating back from 1550 BC, details 700 medicinal plants and how to use them in over 100 pages.

## **BOOK #4 PREVIEW**

An antibiotic is a type of drug that is used to cure infections in different parts of our body. Usually, these infections are caused by small microorganisms such as bacteria and viruses. The antibiotics that are sold in pharmacies today are synthetically produced in the form of capsules, tablets and liquid; but most of these modern antibiotic medicines were originally derived from plants that have the same chemical properties and they are called herbal antibiotics.

## **BOOK #5 PREVIEW**

Herbal medicine is nothing new. In fact, through the years, it had remained strong and garnered a huge following throughout world. This popularity is attributed to the fact that unlike conventional drugs, herbal medicine does not undergo extensive processing. As you might already know, synthetically- or chemically-made products, like over-the-counter pharmaceuticals, aren't just less effective. They also come with all sorts of dangers. Of course, there are those who still insist the herbal medicine is synonymous with quackery.

## **BOOK #6 PREVIEW**

Home remedies have grown in popularity especially as an alternative to traditional or regular medicine. You can find certain remedies for common problems and some of those problems are discussed in this book like: acne, allergies, asthma, arthritis, body odor, bad breath and burns. Some people have these problems but going to the doctor isn't always a viable option for them. There are things in this book that will help deal with these conditions.
