Dangerous Animals In Africa: Interactive Quiz Book For Kids aged 9 to 12 Samantha Flores

Dangerous Animals in Africa is an interactive question book.

It is designed for children from the age of 9 - 12.

In this collection, children will explore some of the most dangerous creatures that grace Africa, while having the chance to learn some new facts about each of the different species.

Parents will find that the information contained in the book will help to improve the knowledge their child has.

In fact, children that have a passion for animals will find that this trivia book will be one of their favorite titles as they test their knowledge on topics that range from the simple questions, to those that enhance their understanding of each creature.

Imagine the excitement on your child's face when they have a new book to explore, knowing that some of the fiercest creatures from the African landscape will be touched on in the collection.

This can be a great way for your child to spend their free time exercising and expanding their understanding of the animals of the area, while having fun and relaxing.

Parents who want their children to have the best collection of information possible, should consider the Dangerous Animals of Africa.

With more than 25 trivia question in this collection, your child will spend quite a bit of time exploring each question and doing the research needed to come up with the correct answers, while giving them something they can look forward to doing in their down time.
