Have you been trying to get pregnant for some time now? Do you feel like you are on the verge of going mad? Does the sight and news of pregnant women make you want to cry? Relax, you are not alone and there is help that most doctors don't tell you about. Author Karen Billgren went through inseminations, IVF and stimulated treatments to get pregnant for almost four years. After using these three simple tips, given to her by a friend diagnosed by doctors as "infertile", both Karen and her friend became new mums within a year. This book will give you the three fertility boosting secrets that doctors didn't tell Karen, or her friend, about. No fuzz, just the facts.
