The Secret of the Third Eyes The Path to cultivate Energy for Financial and Spiritual Success Djoko Putranto

You probably already read the book *The Secret of the Secrets* from the same author. And you know the secrets of the Universe and how to use these secrets to financial interests, spiritual, or whatever you desire.

And the chances are wealth, health, peace, abundance.

This book can help you to speed up your success, by the way:

1. Improve your energy
2. Reduce energy waste

After reading this book and practice it in life, you are guaranteed always in a state full of energy and the needs to rest in order to recover energy will reduce and your time to work and enjoy your life will be increased.

It's time you live with great joy!

This Book "The Secret of the third eyes, the path to cultivate energy for financial and spiritual success" is sequel from the book "The Secret of Secrets, the path to financial and spiritual success".

Because of that, it is better if we read the first book before reading this book. In the first book, we talked about the way to make the best use of the nature's law to increase financial and spiritual success. So that, both of the books benefit for any one who is looking for the way to get financial and spiritual success.

In the first book, it was talked about the eyes practice, as the one of pathway to go to the real one to get spiritual enlightenment and way to reduce the wastefulness of energy and even increase energy as the medium to increase our health which is the basic needs and also as the tool to achieve success and enjoy financial success.

In this book, which is the sequel, it is talked about the eyes practice exhaustively so it is inescapable that we have to talk more about spiritual aspect than another aspect. However, for those who are not interested yet about the spiritual world, he can still use this book to get financial and health success.

On that account, the formation of this book is arranged as follows:

Chapter I The map of Energy

This chapter consists of three sub-subjects, which are Tao, Tantra and the goal of the spirituality.

Sub-subject Tao talks about Energy, The map of Energy, Principle of Yin-Yang Energy, Energy Central, Body Structure, Eyes, the third Eye and Breath.

Sub-subject Tantra talks about Energy Central, the Universe, Masculine and Feminine Principle, Eyes, the third Eye, Magic spelling and the Master.

Sub-subject the Goal of the Spirituality talks about the way to get success and to go to the real one.

Chapter II Technique of Meditation and Practice

This chapter consists of three sub-subjects, which are Tao, Tantra and the teaching of the past and the present

day.

Sub-subject Tao talks about the way to increase energy and to reduce the wastefulness of energy by meditation or practicing of set back energy and the point of the nose meditation and also meditation to collect energy of sky and earth.

Sub-subject Tantra talks about the way to activate the third eye by direct meditation and indirect meditation.

Sub-subject Teaching of the past and the present day talks about the emergence of Tao and Tantra philosophy, the teaching of the past and the present day.

Chapter III Training

This chapter talks about the way to train Tao meditation or to set back the energy, the point of the nose meditation and meditation to collect energy of sky and earth and also the way to train Tantra meditation which is direct meditation and indirect meditation. In this chapter is also talked the position and schedule, time and place of the training.

Chapter IV Master and Spirituality Progression

This chapter talks about the need of a Master, the possibility to have spirituality without Master's help, spirituality progression, the stagnation because of too Yin and too Yang, the way to fight against objections and dangers which possible to be faced such as physic and mental destruction.

Chapter V Meditation/ Back bone Exercise

This chapter talks about back bone meditation as complement and support of the sex meditation and the third eye meditation.
