La razón de Joaquín (Spanish Edition) Alejandro Volnié

Joaquín ha pasado su vida entera persiguiendo la verdad, y la verdad se le ha presentado en atisbos, en aparentes revelaciones que surgen como destellos pero que se escurren entre sus dedos en cuanto pretende asirlas.

Ahora Joaquín vive sus últimos días, desahuciado a causa de un mal terminal.

Quizá si lo pone todo en perspectiva consiga finalmente aprehender la respuesta última, por ello convence a Marilola, la joven enfermera que lo cuida, de transcribir los dictados que resumen la búsqueda de toda su vida.

Mientras Joaquín dicta Marilola teclea en su computadora. Resulta abrumadora la cantidad de textos y vivencias que salen a la luz. La muchacha queda atrapada por las palabras del viejo. ¡Vaya que el hombre buscó en todas partes! Budismo, masonería, experiencias de conciencia alterada, artes místicas, anécdotas inusitadas y mucho más se agrega en el cúmulo de sus conocimientos.

Marilola se enfrasca en una batalla personal por comprender mientras su maestro se extingue, pero la muerte de un hombre sabio no puede ser un evento simple.

Joaquín tendrá un final imprevisible, digno de su sapiencia, al tiempo que el lector quedará contagiado de sus inquietudes y ansioso por continuar su propia búsqueda.

From reader reviews:

Kathleen Allen:

What do you think about book? It is just for students because they are still students or that for all people in the world, exactly what the best subject for that? Just you can be answered for that concern above. Every person has various personality and hobby for every other. Don't to be obligated someone or something that they don't desire do that. You must know how great and important the book La razón de Joaquín (Spanish Edition). All type of book is it possible to see on many methods. You can look for the internet options or other social media.

Elizabeth Cao:

Reading a book tends to be new life style in this era globalization. With studying you can get a lot of information which will give you benefit in your life. Together with book everyone in this world can share their idea. Publications can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or their experience. Not only situation that share in the guides. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors on earth always try to improve their ability in writing, they also doing some analysis before they write to the book. One of them is this La razón de Joaquín (Spanish Edition).

Kevin Kennard:

Many people spending their time frame by playing outside along with friends, fun activity together with family or just watching TV the entire day. You can have new activity to invest your whole day by studying a book. Ugh, think reading a book can definitely hard because you have to accept the book everywhere? It okay you can have the e-book, getting everywhere you want in your Touch screen phone. Like La razón de Joaquín (Spanish Edition) which is finding the e-book version. So , why not try out this book? Let's view.

Irving Tarkington:

What is your hobby? Have you heard that question when you got college students? We believe that that question was given by teacher on their students. Many kinds of hobby, All people has different hobby. And you know that little person like reading or as examining become their hobby. You need to know that reading is very important along with book as to be the thing. Book is important thing to incorporate you knowledge, except your current teacher or lecturer. You get good news or update in relation to something by book. Amount types of books that can you decide to try be your object. One of them is La razón de Joaquín (Spanish Edition).
