Suicide Prevention: The Ultimate Guide to Suicide Prevention

Read on your PC, Mac, smart phone, tablet or Kindle device.

This book contains proven steps and strategies on how to prevent a person from taking his own life. This is a very worthy task indeed but difficult to achieve as most people that do commit suicide, rarely warn other people about their intentions. But there are conditions and behaviors that can be observed, so that a person that is considering to proceed through this last resort, may be helped and prevented from doing so.

How can someone identify a person with suicidal tendencies? The first thing is to learn about the suicidal patterns and narratives. It is a very rare occasion that someone kills himself or herself at the spur of the moment. In the vast majority of cases there has been premeditation and planning.

Here Is A Preview Of What You'll Learn...

- Identifying a possible suicide
- Talk to people that you suspect to have suicidal tendencies
- Evaluate the situation and respond quickly
- Offer help, support and stay there until the end
- Misconceptions about suicide
- Much, much more!
