The Wise Woman's Journal Libra Month: September 23rd - October 22nd 2014 Angela McKay

This extraordinary blend of daily astrology, journal writing and Wiccan spells is the perfect little bit of magic to add to the day of anyone who follows the goddess.

Regardless of our own personal zodiac signs, we are all entering the Libra month of our astrological year. In the northern hemisphere our branches are heavy with fruit; the southern hemisphere waits excitedly for spring. How will the celestial movements affect all of our places on Earth, this month?

This month over 100 pages of sacred wisdom is designed to empower, stimulate and invigorate the senses. The Wise Woman's Journal is almost too full of information for anyone to do. Take a tiny bit of wisdom each day to lift you into a happier, lighter place in life. The Wise Woman's Journal is for wise women and wise men the planet over.

But for goodness sake don't try and do it all! There will be not time left in your life to eat, drink and be merry!!! Simply choose the snippets that resonate with you and make them your own.

Overview of themes for this Libra month

Libra season is considered associated with the element of water so it is a time for general introspection.

We look to the second harvest of the year, the fruit harvest. We think of this in terms of our own harvest for the year. What have been the fruits of our own labour during the last 12 months?

It is a time for many people, the world over, to give thanks for a hopefully bountiful growing season. There are many thanksgiving celebrations beginning now and extending into the following month.

It is always important to try and eat seasonally, and locally if possible, because you are ingesting the energies that surround you on a daily basis. It is especially important at this time given the thanksgiving and harvest themes.

The goddess is mourning the loss of the god who was sacrificed at Lammas. She is pregnant with the sun child who will be born at Yule – December 21st. Birth of Sun God became birth of the Son of God as Christianity took over from Paganism. Many are now reclaiming this festival time. She begins her transformation into the Crone which she will complete at Samhain.

Libra month is about balance (equinox = equal amounts of light and dark). It is also about justice. Seek these for yourself and for others.

Make the very most of planetary influences this month. Some might call this book an unfair advantage. I call it the Wise Woman's Journal.
