Message from the Author: I pray that you found this book to have been one to change your thought process on how you view Christianity as it pertains to the world. Writing this book not only changed my heart, but it changed my life. I have never found a joy so unique that I would have thought that I would have the guts to put it into words. Yet, I did. This was the outcome. I pray that you find the book just as enriching as I did writing it.
