Atlantic Coast Line Passenger Service: The Postwar Years Larry Goolsby

The dynamic story of ACL's wonderful postwar passenger trains. Told and supported by scores of nostalgic company publicity photos of the trains and equipment, inside and out, with car and locomotive rosters, diagrams and drawings, and material useful to modelers in construction and painting of ACL prototype passenger cars. Highlighted are not only the great New York to Florida streamliners but also the locals and work-a-day passenger trains that crisscrossed the ACL's system.
