Heaven on Earth Marilyn Pappano

Sometimes you have to sin a little to find heaven on earth....

As a private investigator, Melina Dimitris had seen more than her share of relationships gone bad. But that didn't keep her from believing that Mr. Right was out there. And she thought she'd found him in a tall, ruggedly handsome adventurer with a pair of magic hands.

So when he dumped her without so much as an explanation, Melina hid her devastation by throwing herself into her work. Little did she expect that three runaway children from the small town of Bethlehem would bring him back into her life.

Sebastian Knight knew that if anyone could find his missing daughter, it was the brash P.I. with a passion for kung fu and tight red dresses. Their affair had been brief, white-hot, and clearly heading for something more serious. Until Sebastian ended it rather than risk getting burned again.

Only now that it was too late did he realize the mistake he'd made. But with a trio of eccentric helpers watching over them — and the children — Sebastian and Melina would soon discover that in Bethlehem it was never too late for a miracle.

From reader reviews:

Daniel Soderquist:

Why don't make it to become your habit? Right now, try to ready your time to do the important work, like looking for your favorite reserve and reading a book. Beside you can solve your short lived problem; you can add your knowledge by the guide entitled Heaven on Earth. Try to the actual book Heaven on Earth as your close friend. It means that it can being your friend when you sense alone and beside those of course make you smarter than in the past. Yeah, it is very fortunated for yourself. The book makes you more confidence because you can know everything by the book. So , we need to make new experience as well as knowledge with this book.

Donald Campbell:

As people who live in the actual modest era should be revise about what going on or details even knowledge to make these individuals keep up with the era and that is always change and move forward. Some of you maybe will certainly update themselves by reading through books. It is a good choice for you personally but the problems coming to you actually is you don't know what kind you should start with. This Heaven on Earth is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

Mavis Strain:

The reserve untitled Heaven on Earth is the reserve that recommended to you to learn. You can see the quality of the e-book content that will be shown to a person. The language that publisher use to explained their way of doing something is easily to understand. The author was did a lot of study when write the book, therefore the information that they share to you personally is absolutely accurate. You also could get the e-book of Heaven on Earth from the publisher to make you a lot more enjoy free time.

Robert Stewart:

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Heaven on Earth can make you truly feel more interested to read.
