## **Just Fall: A Novel** Nina Sadowsky

Perfect for fans of Patricia Highsmith and Gillian Flynn, this sexy and seductive debut novel asks: How can you find out that the person you love is a killer . . . and continue to love him anyway?

### **THEN**

Ellie Larrabee's life is perfect. She's thriving at work, living in a fabulous apartment, and engaged to the man of her dreams. To all appearances, Ellie and Rob Beauman are a golden couple—blessed with good looks, success, and romantic chemistry that's off the charts. Surely their future together promises nothing but happiness.

But on what should be the most wonderful day of her life, moments after saying “I do,” a shocking secret threatens to shatter Ellie's happily-ever-after. She learns that the man she just married and loves with all her heart hides a dark past beneath his charismatic exterior. And the more harrowing truth she uncovers, the deeper Ellie is swept into a vortex of betrayal and uncertainty from which she may never escape.

### **NOW**

On the island paradise of St. Lucia, Ellie isn't basking in honeymoon splendor—she's grappling with the chilling realities of her violently derailed life: Rob has blood on his hands and some very dangerous people on his trail, and only Ellie stands between him and the lethal destiny he's facing. Rob never dreamed that Ellie would be dragged into the deadly world he's trapped in—or used as a pawn against him. And Ellie could never have imagined how far she'd be forced to go to save the man she loves.

### **Advance praise for *Just Fall***

“What a terrific novel! *Just Fall* arrived in the mail this morning and I read the book in one sitting, which I haven't done for years. Nina Sadowsky's premise is original, her voice is clear, her storytelling skills are remarkable, and her pacing is perfect.”—**Sue Grafton**

“Character-rich and compulsively readable, *Just Fall* is a marvelous surprise. Exploring the universal need for family and human connection, and the costs incurred when those bonds are severed, *Just Fall* takes the reader on a wild ride through the psyches of two damaged people who hope to find redemption in each other. The writing is lush, the insights sharp. This novel is a winner.”—**Diane Keaton**

“A chilling story exploring the fine lines between love and hate, good and evil, *Just Fall* is a wild ride of unnerving twists and turns, right up to the last page.”—**Andrea Kane, *New York Times* bestselling author of *The Silence That Speaks***

“Fast-paced, sexy, and creepy, *Just Fall* is a smart and slick read of pure, disturbing deliciousness. I couldn't put it down and was sorry to see it end. If you're a fan of suspense, this is a must-read!”—**Pamela Falk, writer of *The Wedding Planner***

“*Just Fall* is a novel to relish—smart, tense, sexy as hell, with writing that sweeps you up and away. In Ellie

we see the making of a femme fatale as we never have before. Neither a psychopath nor the tired ‘good girl turned bad,’ Ellie is a truly modern everywoman.”—**Michelle Raimo Kouyate, executive producer of *Silver Linings Playbook* and *Chocolat***

“In a devilish tale of love, lies, and betrayal, Sadowsky twists our most cherished romantic fantasies and exposes them as frightening facades hiding terrifying secrets. *Gone Girl* meets *Body Heat*, packed with all the sex and intrigue you want, yet never in the way you expect.”—**Ted Sullivan, writer and producer of *Revenge* and *Supergirl***
