Pick 3 Lottery Arizona: 27 Summary Reports (Book 1 to Book 27) AANewYork 27 Reports for Arizona

I have a very successful Pick 3 Kindle book series called the 7 Day Numbers. I started this series on September 20, 2015. In this book series I provide weekly Summary Reports for 26 states. These Summary Reports have the best Numbers, Pairs, Key Digits, and the Revelation Box for the coming week (I explain these terms in the book). These reports have a very successful track record of predicting hits for the coming week. In each new book I put out I always list the number of hits from the previous book and it's always a high number; 50, 60, and 70 hits per week are common. Here is the Bottom Line: These reports **consistently** predict hits for all 26 states every week.

However, the 7 Day Number books just have one report for every state. No special attention is given to any one state and it's very difficult to see patterns for any state when you are only looking at one report per week.

Then I thought to myself; What if I put together an entire book consisting of 27 consecutive reports for just ONE state?

That question is what inspired me to come up with this book series. I think that studying 27 consecutive reports for any state will reveal patterns that can NOT be seen by studying isolated reports. I also think that studying 27 consecutive reports will make it possible to identify "secret" or hidden ways of picking winning numbers. So these reports are an incredibly valuable resource for the serious Pick 3 player.

VERY IMPORTANT: In this book I explain how you can:

- (1) Use my programs to generate the weekly report yourself.
- (2) Use my programs for FREE (or for a very low price).
- (3) Use my programs for 7 months...or longer!

However, do not think that all you will find in this book is a list of 27 reports. There is MUCH MORE!

This book also includes the following 6 Bonuses!

Super Bonus #1: CODES Included!

I decided to include a Special Bonus in this book; and it's a GOOD one! At the bottom of every report you will see the numbers that hit that were in the Revelation Box that week and next to these numbers you will see the CODES for those numbers. (If you don't understand what you just read, don't worry; I explain everything in this book.)

Super Bonus #2: How to Code Numbers

I explain my coding system in this book as well. I call this system **Coding System 444**. This system will

literally teach you how to find the exact codes of the hottest numbers in your state!

Super Bonus #3: Train Yourself to WIN (By Playing an Innocent Looking Game)

Right before I show you the 27 reports I will explain a very simple game you can play with the reports. On the surface this little game seems innocent; you just write down some numbers at specific points while studying the reports. But don't let the simplicity of this game fool you; getting GOOD at this simple game can put Cold Hard Cash in your pockets!

Super Bonus #4: The 2-Month Program for Pick 3 Success

I added this chapter just as I was wrapping up this book and after I wrote it I realized that this is really the Master Key to mastering the game. In this chapter I explain in detail what I personally do to keep IMPROVING my game every single week!

Super Bonus #5: The 10 Number System

I explained the 10 Number System in Books 26, 27, 28, and 29. This system is based on the 10 numbers from line 2 in the Summary Report. Recently I was able to identify a Super Trigger that tells exactly WHEN 1, 2, or 3 of the 10 numbers will be hitting the following week. This Bonus explains this Super Trigger in detail!

Super Bonus #6: The Secret to Getting Straight Hits

Most players want to get straight hits – but they are going about it the wrong way. I end the book by explaining exactly HOW to get straight hits in the Pick 3 game!

So what are you waiting for?

Read this book RIGHT NOW and take your Pick 3 game to the NEXT LEVEL!
