Regimental losses in the American civil war, 1861-1865: A treatise on the extent and nature of the mortuary losses in the Union regiments, with full ... the state military bureaus and at Washington

William F. Fox

This book was digitized and reprinted from the collections of the University of California Libraries. It was produced from digital images created through the libraries' mass digitization efforts. The digital images were cleaned and prepared for printing through automated processes. Despite the cleaning process, occasional flaws may still be present that were part of the original work itself, or introduced during digitization. This book and hundreds of thousands of others can be found online in the HathiTrust Digital Library at www.hathitrust.org.
