Desmond Champion is not looking for love. He makes that perfectly clear to the woman he calls his 'kryptonite' – Sherita Wilkins. He'd been successful at barricading his heart until...

The Champion Corporation gets offered a multi-million dollar deal that hinges on his relationship with Sherita. It would be hard to avoid her when they would have to 'work' together for this deal - one that would set The Champion Corporation apart from its competitors. One that was too good to turn down.

Can he keep his bachelor status and his heart intact when it comes to working with the woman who admittedly makes him weak?

The Champion Brothers series books are all standalone books.

Book 1, His Paradise Wife is Dante Champion's story.

Book 2, When A Champion Wants You is Dimitrius Champion's story.

Book 3, The Best Thing He Never Knew He Needed is Desmond Champion's story.
