Business owners everywhere are working longer hours, doing the wrong things in the wrong way, and getting inadequate results for their efforts.

The thing is it is not their fault. So many start in business because they are great at what they do, not great at running a business. Served up in a simple, straight talking fashion this book delivers instant solutions for your business.

You will discover:

- Why the way you think impacts massively on your results
- The number one reason why most people fail
- The key reason that money is tight
- Why time is always short
- The importance of planning
- Why business is a team game
- How to be seen by more of the right kind of people
- The secret reason why customers are not coming back
- Why the phone is not ringing

Reading this book offers an open and honest account to a number of the most common mistakes made, and provides simple solutions and strategies that can be immediately applied. A catalyst to open your mind, ask yourself important questions and help you to realise that your success lies in your hands.
