It is not only your efforts that can take you where you want to be. Even though we do our best, we won't be able to meet the requirements of this demanding society. But God can take our incapacity and our humbling efforts and use them for His glory. We just have to trust the Master Architect's plan. Sometimes we wrestle with life by trying to do it on our own way, but the real problem is our unwillingness to surrender to God for His plan for our lives. Again, throughout this book, you will read testimonies about different situations of what God can do through His children's lives when they surrender.
