Love is blooming in Molly's garden...

Molly McNair needs someone tough to work for her. An oil company is pressuring her to sell her farm, and she's losing workers to intimidation. When Adam Hollister applies, she knows she's found the right man. Solid, fair-minded...and handsome, too. But there's something she doesn't know. Adam, a widower who's been drifting since he lost his family, is a former wildcatter. And his onetime business partner sent him to obtain soil samples from her farm.

Molly, whose life is dedicated to providing healthy food for hungry families, has to discover if her love for Adam is deep-rooted enough to survive the truth.
