Dumb Jock: Book Six

The final book in the Dumb Jock series brings us back to Jeff and Brett thirty-plus years after their “happily ever after.” Jeff, now a university professor, and Brett, CEO of a sporting equipment company, prepare to celebrate Brett’s fiftieth birthday. Suddenly, a devastating emergency derails all plans. Fear and unknown questions force the couple to look back on a lifetime of struggles as an openly gay couple just starting out in the 1980s. My Dumb Jock chronicles their life together, beginning after the sports banquet at the conclusion of book one, continuing through their college years, engagement, wedding, and the birth of their children. Together they shoulder homophobia and rejection and build their own family in the face of many crippling losses and temptations. This final book of the series brings together an entire cast of characters from five books, all connected by one remarkable couple. A couple not quite ready to say good-bye.
