Plowshares Into Swords: Musings of a Different Drummer Louis Awerbuck

This book is a compilation of articles written by the author under the column entitled "Tactics and Training" for S.W.A.T. Magazine. Dates covered by this compilation are from June 2004 through May 2013. Like "Tactical Reality" and "More Tactical Reality" before it, the book is not and makes no claim to be, any form of instructional manual. It is, purely and simply, articles which contain the author's personal opinions on issues as he feels they relate to current tactics, strategy and firearms training.
