Hardened cop Sam O'Neill knew a meddlesome woman when he saw one. He'd saved cocktail waitress Angie Rivers during a bank holdup, but he couldn't get her pretty face or the feel of her silky skin out of his head. She made him lose his focus—she softened his heart—and that put both of them knee-deep in danger, because someone wanted Angie dead.

Angie was the only one who could identify the leader of a brutal identity-theft ring. But she was done feeling helpless and vulnerable and was ready to take things into her own hands, despite the tall, dark detective's passionate demands to stay out of trouble—*and* out of his heart!
