This practical guide to study skills instruction offers 29 complete lesson plans that can help you teach your students how to learn and improve their academic performance. Lessons cover the key strategies of note taking, summarizing, using research tools (including the Internet), and test taking. They incorporate full participation by students and continuous checking for understanding by the teacher which help students also improve their listening skills. All lesson plans are teacher-tested, user-friendly, and broad-based, with enjoyable learning activities. Each can be easily adapted or customized to reflect the academic needs and skill levels of your students. Included in the book is a CD-ROM with reproducible overheads, worksheets, homework assignments, readings, and other support materials in pdf format.

From reader reviews:

Timothy Lumpkin:

The book Effective Study Strategies for Every Classroom can give more knowledge and information about everything you want. So why must we leave a very important thing like a book Effective Study Strategies for Every Classroom? Some of you have a different opinion about guide. But one aim in which book can give many facts for us. It is absolutely correct. Right now, try to closer using your book. Knowledge or information that you take for that, you could give for each other; you may share all of these. Book Effective Study Strategies for Every Classroom has simple shape nevertheless, you know: it has great and large function for you. You can search the enormous world by open and read a reserve. So it is very wonderful.

Joyce Washington:

As people who live in the modest era should be change about what going on or information even knowledge to make these individuals keep up with the era which is always change and make progress. Some of you maybe can update themselves by reading books. It is a good choice for you but the problems coming to anyone is you don't know what type you should start with. This Effective Study Strategies for Every Classroom is our recommendation so you keep up with the world. Why, since this book serves what you want and wish in this era.

Josephine Widman:

Nowadays reading books be than want or need but also become a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book in which improve your knowledge and information. The data you get based on what kind of guide you read, if you want have more knowledge just go with education and learning books but if you want really feel happy read one with theme for entertaining for example comic or novel. The particular Effective Study Strategies for Every Classroom is kind of reserve which is giving the reader unstable experience.

Virginia Johnson:

Many people spending their moment by playing outside with friends, fun activity using family or just watching TV 24 hours a day. You can have new activity to enjoy your whole day by looking at a book. Ugh, think reading a book can really hard because you have to bring the book everywhere? It alright you can have the e-book, taking everywhere you want in your Cell phone. Like Effective Study Strategies for Every Classroom which is getting the e-book version. So , try out this book? Let's find.
