For the Love of Katlyn: Principles and Practices for a Better Life Francis Alix

This is a story about.... ...a father's search for love and happiness, the unexpected loss of his beloved daughter, and his quest to help others in her honor. ...the union of ancient religion and modern science revealing a set of universal principles and practices for a better life, centered on love and kindness, acceptance, understanding, gratitude, and humility. ...the dangerous combination of sexual assault and religious intolerance leading a beautiful and innocent young woman to commit suicide. Finally, this is a love story about a father and a daughter, one that seemingly ends with the tragic loss of Katlyn to suicide, but somehow is rediscovered through their connection across what at first seemed like an impenetrable divide.
