"Ron Sanders is able to speak to lay people about the scope of God's plan for history as the result of many profitable years of study provided by Bible Study Fellowship for "regular people." God in Imax pulls together the main threads of Scripture in readable form. This book will be welcomed by seasoned Bible students as well as newcomers to the study of God's Word." -Jean Nystrand Executive Director, BSF International (Retired) "Sanders surveys the scope of the Bible from a dispensational viewpoint in a single volume. He is to be commended for his work." -Dr. Stanley D. Toussaint Senior Professor Emeritus of Bible Dallas Theological Seminary "For years I have seen Ron Sanders' passion for God's word, and for the nations as he has partnered with our ministry in Cambodia. We appreciate Ron's heart as he has partnered with a number of our indigenous leaders to see them thrive in Advancing Christ's Kingdom in Cambodia." - Garth Gustafson Indo-China Regional Director YWAM "I have known Ron Sanders for 20 years, since we first worked together on Okinawa, Japan. He is something of a Christian "father" to my wife and I--trusted friend and wise advisor. I am honored to endorse his scholarly book and pray each reader enjoys it, is challenged, and grows in their understanding and love of our Lord." -Colonel Cornelius Jacobs (USAF, Ret) Overseas Missionary with Anglican Frontier Missions From the Author In writing, my purpose has been to show that God not only has been active in human history, but also desires a relationship with men and women, and the accounts about Him in the Bible are trustworthy. My wife suggested that something was needed that a present day audience could relate to. She suggested "God in Imax", an all surrounding view of God. Thus the final title: GOD IN IMAX: A Panorama of Divine History. It is our hope that this book will help many to better relate to God.
