**Serving Her Cowboy (Steamy Alpha Billionaire Pregnancy Romance)** Talia Day

Twelve years ago, Chloe Hartmark lost a phone number that she would forever regret. Though she searched for the man who won her heart, he seemed to simply disappear, forever vanishing into a faded memory.

Now she is 30. Lonely and empty, she wonders where her life went wrong and how she ended up at a dead-end job with no man, no kids, and no love.

Then one day, on a whim, she decides to go back to the same small Montana town where she first met her one and only true love, hoping to find any clues as to his whereabouts.

Astoundingly, after her car breaks down in the middle of nowhere, they cross paths.

But he's different now: He's a changed man with a different name. He owns a sprawling ranch. And he's made billions in the intervening years.

**But there's something else...something darker.**

And he wants nothing more than to share his darkness with her.

But is she ready to give herself to him?

And at what cost?

**Turns out learning a billionaire's secret isn't cheap...or painless.**
