The Last Lion: Winston Spencer Churchill, Volume II: Alone, 1932-1940 William Manchester

This second volume in William Manchester's three-volume biography of Winston Churchill challenges the assumption that Churchill's finest hour was as a wartime leader. During the years 1932-1940, he was tested as few men are. Pursued by creditors (at one point he had to put up his home for sale), he remained solvent only by writing an extraordinary number of books and magazine articles. He was disowned by his own party, and dismissed by the BBC, Fleet Street, and the social and political establishments as a warmonger, and twice nearly lost his seat in Parliament. Churchill stood almost alone against Nazi aggression and the pusillanimous British and French policy of appeasement.

Manchester tracks with new insights this complex, fascinating history, without ever losing sight of Churchill the man - a man whose vision was global and whose courage was boundless.
