2. Korinther (Papyrologische Kommentare Zum Neuen Testament) (German Edition) Peter Arzt-grabner

English summary: In this extensive commentary on 2 Corinthians Peter Arzt-Grabner explains the text of Paul from a papyrological perspective, applying papyri and ostraca from Graeco-Roman life to the chapters, topics, formulae and terms. It is a valuable supplement to traditional exegetical commentaries. Papyri, especially papyrus letters but also further documents, are used to illuminate the genre of a Pauline letter, compilation theories (including a possible explanation for the process of compilation), Paul's delayed visits to Corinth, the functions of letter carriers, imprisonment, diseases, scents and aromas, letters of recommendation, the collection for Jerusalem from the perspective of guilds and associations, defamation, and announcements of visits. The volume is concluded by indices on quoted papyri, Greek terms and personal names, and modern authors. German description: Mit diesem Band legt Peter Arzt-Grabner erstmals einen umfassenden Kommentar zum 2. Korintherbrief vor, der den Text anhand der dokumentarischen Papyri und Ostraka sowie der Holz- und Wachstafelchen aus dem griechisch-romischen Alltag auslegt. Der Kommentar dient als wichtige Ergänzung zu traditionellen exegetischen Kommentaren. Der umfangreiche Einleitungsteil widmet sich besonders ausführlich der Frage, inwieweit Papyrusbriefe mit den Paulusbriefen vergleichbar sind, sowie den Teilungshypothesen zum 2. Korintherbrief - einschliesslich einer Erklärung darüber, wie ein Kompilationsprozess abgelaufen sein konnte. Ferner legt Arzt-Grabner die Ausgangssituation sowie die Funktion von Briefboten aus papyrologischer Sicht dar. Die fortlaufende Auslegung des Bibeltextes bietet den papyrologischen Hintergrund zu den einzelnen Briefabschnitten, den grosseren und kleineren Themen und zu den von Paulus verwendeten Begriffen und Formeln. Auch die Gliederung des Paulustextes erfolgt entsprechend dem antiken Briefformular. Ausführlicher behandelte Themen sind u.a.: aufgeschobene Besuche, Untersuchungshaft und Gerichtsprozess, Dufte und Geruche, Empfehlungsbriefe, Vereinssatzungen, die Kollekte für Jerusalem vor dem Hintergrund des antiken Vereinswesens, Verleumdungen und Besuchsankündigungen. Verzeichnisse zu den behandelten Papyri, Ostraka und Tafelchen, zu den ausführlicher behandelten griechischen Begriffen und Personennamen sowie zu den modernen Autorinnen und Autoren erleichtern den Zugang zu diesem Band.
