Atlas de geografía humana (Spanish Edition) Almudena Grandes

En el Departamento de Obras de consulta de un gran grupo editorial, cuatro mujeres trabajan en la confección de un atlas de geografía en fascículos. Reunidas por azar en ese proyecto, y muy distintas entre sí, todas comparten, sin embargo, una edad decisiva, en la que el peso de la memoria matiza ya la conciencia del tiempo y de la Historia. Mientras investigan, buscan materiales y fijan datos, Ana, Rosa, Marisa y Fran se encuentran en ese punto de inflexión de la vida en que no pueden aplazar más la necesidad de encararse de una vez consigo mismas, despejar dudas, deseos y contradicciones ya insostenibles para situarse ellas mismas en su propia geografía, en su propio atlas. Así, iremos descubriéndolo todo sobre cada una de ellas y sobre el mundo que las rodea, que no es otro que el de toda una generación: su soledad, sus inhibiciones, sus sueños truncados, sus decepciones, pero también sus pasiones y sus amores inconfesados, su dureza y su ternura, sus derrotas y sus grandes conquistas.
